**HELP**

**I am looking for documentation of the parents of Daniel Spangler and his wife Mary who settled in Franklin County, Virginia approximately 1773.**

**Family legend says Daniel and Mary came from Germany to the “vicinity of York County, PA” and later moved south to Virginia. Daniel was born about 1716 and died in Franklin County in 1787. Mary’s tombstone says:**

**Mary Spangler  
died 1820  
Age 100 yr**

**Undocumented family legend also says Daniel father’s name was Jacob but I have never heard anyone mention his mother’s name.**

**Other undocumented genealogies show Mary’s maiden name as Noffsinger Naufsinger, Notsinger, etc. but where is the proof? If you have or know where I can find documentation please contact me?**

**THANKS for any help you can provide**
